

# Connectivity Solutions

## 4 GOOD REASONS YOU SHOULD KNOW ELECTRO-MATIC INTEGRATED

1

### North American Distributor for Intercontec Product GmbH

- Global leader in Servo Motor connections
- M17, M23, M27, M32, M40, and M58
- SpeedTec™ and SpringTec™ connection solutions

**intercontec**

2

### Wide range of Servo Motor Power and Servo Motor Feedback Cables in stock

- Suitable for use in continuous flexing drag chain applications
- Global leaders in industrial cable: Nexans and Lapp Group

3

### Versatile, fully-tested Cable Assemblies

- Fully tested servo motor power and feedback (SMPF) cable assemblies
- Minimize downtime and meet power-on and delivery deadlines
- Compatible with Siemens, Rockwell, Bosh Rexroth, Indramat, Parker Hannifin, Lenze, and Fanuc motion control systems

4

### Cable and Hose Carrier Assemblies

- Build to design or design to build for drag chain replacements
- Experienced installation crews available

**Nexans**

**LAPP GROUP**

# Configured Solutions

## CONNECTING, SENSING, **CONFIGURING** AND MODIFYING **AUTOMATION TECHNOLOGIES**

### Distribution Products

**DATALOGIC™**

**Satie**  
SYSTEM

**WireCrafters**

*Turning innovation into value.™*
